

2014 University Transportation Center (UTC) Conference for the Southeastern Region

Invitation to Submit Abstracts For Presentations on UTC-Sponsored Projects

The Southern Region UTCs invite submissions of abstracts for consideration for the 2014 University Transportation Center (UTC) Conference for the Southeastern Region to be held **March 24 and 25, 2014 in Atlanta, GA**. The conference aims to bring together faculty, students, practitioners, and public agencies in the Southeast, to disseminate information about on-going activities at all partner universities and to further enhance collaboration among the academic community as well as the private and public sector agencies in the region.

Abstracts are invited for projects funded by any of following UTCs (or by matching funds):

- Accelerated Bridge Construction University Transportation Center
- Center for Safe and Accessible Transportation for an Aging Population
- Electric Vehicle Transportation Center
- National Center for Intermodal Transportation for Economic Competitiveness
- National Center for Transit Research
- National Center for Transportation Systems Productivity and Management
- Southeastern Transportation Research, Innovation, Development and Education Center
- Southeastern Transportation Center

Abstract submissions should be related to work which has been or is currently associated with one of the eight UTCs listed above. Technology transfer and educational initiatives are of special interest. Abstracts will be considered for both podium and poster presentations.

All accepted presenters are responsible for their own Annual Meeting registration, conference fees, hotel accommodations, travel, and any other miscellaneous expenses.

Deadline for Submissions: Monday, December 16 at 5:00 pm EST

Submission process: Complete the form below. Email the completed form and the abstract to Audrey.leous@coa.gatech.edu. Abstracts may not exceed 500 words.

Notifications: Notification of acceptance will occur by January 17th, 2014.

Poster guidelines: Posters must be no larger than 4' x 4'.
